## Abby is Home

Abby arrived at Alex's House in September 2010. She was one of six friendly four-legged people to be killed that day--Abby and Wilbur (pointers) and four coonhound puppies. All had long since found homes, but not Abby. No one had even asked to meet her. Then after nearly 1 ½ years of waiting, someone called and said he thought she was "so pretty." And she is. The adoption actually took place at the dog park, so Abby could run a bit. As she was running, her new dad said, "Look at that smile. She is so happy." Abby's new grandma was there too. Way to go Abby!

## Little Jake Gets His Christmas Wish

Little Jake was found running at large in the country just before Christmas. After looking for several weeks for his parents and not finding them, his initial saviors contacted Alex's House about the possibility of bringing him in. We happened to have an opening at our main foster home, so we said yes. Little Jake then moved to our private foster home, where his new mom met him and fell in love. So let's all keep wishing. Little Jake is proof sometimes wishes can come true.

**Did you know that if 150 people  
(that's 1.2% of the population of El Dorado  
or  
0.02% of the population of Butler County)  
donated \$10 a month,  
Alex's House could start to make plans for a kennel building  
and start saving 70 to 80 dogs a year.**
